ASEAN-JICA FOOD VALUE CHAIN DEVELOPMENT PROJECT

AJFVC PROGRESS

On 22 August 2024, the AJFVC had a Progress Report Meeting with the JICA offices in the ASEAN region. During this meeting, the Project team presented an update on the current progress and upcoming plans to check the procedures for the upcoming Knowledge Co-Creation Program (KCCP).

The AJFVC project team provided updates during the 25th ASWGAC (ASEAN Working Group on Agriculture Cooperatives) via Zoom Meeting on 28 August 2024. The objective of the meeting was to share information with the ASEAN Member States (AMSs) about the progress and current status of the AJFVC's activities and plans, with a particular focus on Output 4, Public-Private Partnership (PPP) based FVC.

UPCOMING EVENTS

AJFVC project is currently in progress for the upcoming KCCP focusing on Good Agricultural Practices (Output 1) and Sanitary and Phytosanitary measures (Output 2). The program is scheduled for November to December and is targeted for AMSs.

Yosuke Okita, Project Coordinator AJFVC Project, presented at 25th ASWGAC Meeting
