

# AJFVC Online Seminar Sessions

## Advancing Food Safety and Sustainable Agriculture in ASEAN

The ASEAN-JICA Food Value Chain Development Project (AJFVC) will host two online seminar sessions in 2025, focusing on key emerging topics in food safety and sustainable agriculture.

**Monday, 10 November 2025**

**10:00–11:25 Jakarta Time**

### Session 1: Biostimulants

**Objective:** To share recent scientific findings and regulatory experiences, providing an opportunity for ASEAN Member States to exchange views and better understand the emerging topic of biostimulants.

**Topic:**

1. Research Findings on Biostimulants by Commonwealth Scientific and Industrial Research Organisation (CSIRO) of Australia
2. National Status of Biostimulants: Regulatory Aspect and Challenges by Bureau of Agriculture and Fisheries Standards (BAFS) of the Philippines
3. Overview of Biostimulants in Japan by JICA Team

**Thursday, 13 November 2025**

**11:00–12:55 Jakarta Time**

### Session 2: Laboratory Management

**Objective:** To share experiences and best practices among ASEAN Member States on strengthening laboratory capacity for pesticide residue analysis.

**Topic:**

1. Current Status and Laboratory Improvement Efforts in Lao PDR by Plant Protection Center (PPC) of Lao PDR
2. Current Status and Challenges in Pesticide Residue Analysis in Cambodia by National Agricultural Laboratory (NAL) of Cambodia
3. Evolution and Strengthening of SFA Laboratory Capacity Singapore Food Agency (SFA)
4. Introduction to Conventional Analytical Methods by SFA

*If you are interested in attending one or both sessions, please register through the following link or by scanning the QR code, and we will send you the online seminar link(s).*
